Join us and jump ALL IN with your C.ES PTA

Your PTA would like to wish you a Wonderful 22-23 school year!

The PTA would like to welcome Mr Goad and our new families to the BOBCAT community and offer our support for an exciting year. We have many things lined up for our Bobcat students, teachers, staff and families.

***Our MAIN GOAL as the Chamberlayne PTA board is to support our school. We can't do that without our Teachers, Students and Families.**

As a subgroup of the National Parent Teacher Association, your PTA Board members are excited about supporting you to ensure that you are **ALL IN as we return to our new routines!**

Make sure you stay connected to get the best and most up to date information about Chamberlayne PTA events and how we are planning to make this year as successful as possible.

The PTA Board continues to work behind the scenes to support our teachers and students in spite of the circumstances and are striving hard to do even greater things this school year. We have a great team of parents working with your PTA and we really could not make it all happen without you, our parents, teachers, students, and administrators. Attached in our Fall Newsletter Update is our **Bobcat Fund Information sheet**. Here you will learn more about what the PTA has done in the past to support our Bobcats and what goals we have for the 2022-2023 school year.

We hope you join us in our mission and know all your support is always much needed. Our goal is to have 100% teacher and parent memberships for the 2022-2023 school year. We can't do our part without each of you.

In order to continue to provide a continuous level of support for our school, we invite you to partner with us. There are many ways you can participate and support your PTA.
